TRUMPF

TRUMPF LASER CUTTING MACHINES

- CO2 LASER CUTTING

STATE OF THE ART LASER
CUTTING MACHINES FROM
TRUMPF, GERMANY

MACHINE 1

- Laser Power - **5 KW**
- Mild Steel - UPTO 25 MM
- Table Size - 1500 X 3000
- Automatic Pallet Changer

MACHINE 2

- Laser Power - **3.2 KW**
- Mild Steel - UPTO 18 MM
- Table Size - 1500 X 3000
- Manual Pallet Changer

SANKALP STEELTECH CORPORATION PVT. LTD.

Plot no 140/141, Sector no 7, PCNTDA, Bhosari, Pune 411026

ERMAKSAN

ERMAKSON CNC BENDING MACHINE

**BEST IN CLASS CNC
BENDING MACHINES FROM
ERMAKSON, TURKEY**

MACHINE SPECIFICATIONS

- Capacity - 260 tonnes
- Bending Length - 3 meters
- 5 axis machine
- Bending upto 12 mm for full length

ADVANTAGES

- Accurate Bending Each Time
- Automatic Crowning
- Touch Screen
- Good stroke length

PROARC PLASMA CUTTING

- 3 METER WIDTH

- 13 METER LONG

**PLASMA CUTTING
MACHINE FROM PROARC,
INDIA**

MACHINE SPECIFICATIONS

- Plasma Cutting - upto 45 mm in MS
- Bed - 3 x 13 meters
- Oxyfuel attachment

ADVANTAGES

- Fast and economical cutting
- Cutting upto 12 meters in length
- Ability to deliver finished goods

**WE HELP YOU
GET THINGS DONE**

WHY CHOOSE US ?

Take a look at why you should be partnering with us

OUR PLANNING

We plan our production according to the dispatch dates provided by our customers. Timelines are given top priorities so that your products are dispatched on time.

All our processes are in accordance with the industry guidelines in order to make them efficient and ensure top quality products.

Before dispatch, all products are put through multiple quality checks to ensure that the quality of the products matches the customer requirements.

Huge Raw Material Stock

Thanks to our steel trading division, we have all the material ready inhouse for sheet metal and heavy engineering fabrication

All Operations Inhouse

We come fully equipped with metal cutting, bending and welding machinery inhouse, and can deliver a variety of products without any delay.

Best Quality

We focus on delivering premium, immaculate quality products that guarantee satisfaction

ONLY THE BEST FOR OUR CUSTOMERS

We believe that quality, consistency and efficiency are the keystones to a successful business. We guarantee only the best services and products for all our customers.

VALUE FOR MONEY

All our prices are in compliance with the market rates. We ensure you are provided with the best prices.

CONTINUOUS GROWTH

Our strategy is to keep upgrading our facility as per the requirements of our customers. We will grow with you.

DATA ANALYSIS

Every operation is regularly studied for further development in order to make sure our processes are running efficiently.
